Washington, D. C. 20505

Dear Bill,

I've enclosed a copy of a letter I recently sent to the President asking him to have the National Security Council staff evaluate the attached proposal [redacted]

STAT

It seems to me that a system such as this might be an acceptable alternative to [redacted]

STAT

As I am sure you know, I've been against this thing from the start and I feel that we must do anything we can to get our boys out of there just as soon as possible.

I'd appreciate it if you could have your staff take a look at this idea and let me know if you think it has any merit.

We need to do something and soon. Time is running out on us and I haven't talked to anyone lately who thinks we should still be there.

With best wishes,

Barry Goldwater
